REPRO PRODUCTS, INC. ACQUIRES 4COLORLASER

SMYRNA, GA, November 16, 2016 – Repro Products, Inc. announced that it has acquired 4ColorLaser, a Xerox Authorized Dealer headquartered in Roswell, GA. The purchase will allow both companies to better serve the office equipment needs of businesses throughout metro Atlanta by combining the strength of two well-respected Xerox resellers and substantially expanding the bandwidth of both companies' service departments. 4ColorLaser will now be identified as a Repro Products company and will continue to operate with the existing staff in its present location. "This investment represents an important strategic opportunity to offer enhanced efficiency and customer service for companies seeking office equipment solutions throughout the Atlanta area," said Bob Feldberg, President of Repro Products and 4ColorLaser.

About Repro Products, Inc.

Repro Products, Inc., metro Atlanta's Xerox Agency, was incorporated in 1979 and has been a Xerox reseller since 1989. 4ColorLaser, as a Xerox dealer for over 18 years, has garnered customer loyalty for its outstanding service and consultative approach. In addition to providing Xerox office and production equipment and services, Repro Products is a leading provider of wide format equipment, printing and reprographic services, Autodesk software and services and 3D laser scanning services.
